Webelos Activity Badge Day will give you and your Webelos Scouts a head start on earning outdoor activity badges. In addition to working on activity badges your boys can enjoy adventure stations that introduce some of the activities they will encounter in Boy Scouting. Webelos Scouts should be able to complete most requirements for an activity badge in each session. Leaders and Packs will be responsible for certifying the completion of activity badges, turning in advancement reports to the Council Service Center, and supplying the advancement awards.

Activity Badges offered: **Artist, Craftsman, Engineer, Scientist**

Adventure Stations offered: **Fire Building, Knots and Lashings, Indian Lore, Map and Compass**

NOTE: Activity badge and adventure station assignments are made on a first come, first served basis. If there is not sufficient interest in a particular Activity Badge or Adventure Station, that session may be cancelled and participants given a second choice. Dens will receive assignments upon arrival.

COST: \$20 per boy early bird fee and \$25 if received after the last early bird date (two weeks before event). This fee includes: noon lunch, program supplies, and camp usage. The adult fee is \$5 for lunch. Fees are non-refundable but may be transferred to another Webelos Scout or adult. Fee includes an embroidered event patch.

BRING: Completed Individual Health History form, Webelos Book, water bottle/canteen, note pad and pencil, spending money for the trading post, appropriate clothing for the weather (including rain gear) and sunscreen. Optional items you may wish to bring include camera, day pack, extra shoes and socks.

Event capacity is **180** Webelos Scouts. This activity will fill up quickly. Register promptly when registration opens.

Adults must accompany each group of Webelos Scouts on a **ONE ADULT TO FIVE BOY** ratio. A minimum of two adults must accompany each group. Any single Webelos Scout **must** be accompanied by an adult (no "drop-offs").
